## BaltCap awarded as the Best Russian & Central and Eastern European Private Equity Fund 2018

We are proud to announce that BaltCap gained an honorable recognition by winning the gold award at the 17th edition of the Private Equity Exchange & Awards Ceremony held on November 21st in Paris. We won the **Best Eastern European Award**.

1,200 participants – Limited Partners, Private Equity Funds and Corporate Executives – gathered for this major Pan-European summit on private equity and restructuring followed by a high-class evening ceremony rewarding the best performers among LBO Funds, Limited Partners and Management Teams.

BaltCap was nominated in the category **Best Russian & Central and Eastern European Private Equity Fund**. We have been nominated in the same category before but this year we finally managed to outshine the other 7 nominees and bring home the golden prize. The award was received by our Partner Sandijs Abolins-Abols (in the photo).

Acknowledged by the major European Private Equity players, this event highlights top performers of the Private Equity scene.

80 jury members, top Limited Partners and Asset Management professionals, committed themselves to assess the application forms submitted by carefully preselected nominees. Laureates were rewarded on stage in front of 450 private equity players.
